

# UUFHC ORGANIZATIONAL CHART – 17-18

This chart was developed by the Board and the Fellowship Council to help individuals understand how the Fellowship functions. Please note that the purpose of the Sustainment and Leadership levels are to support the Mission functions. In fact, without a mission there would be no need for the rest.

<sup>1</sup> Ex-Officio Board members are members of the Board by virtue of position. Ex-Officio members of the Board, with the exception of the Minister, are voting members.

<sup>2</sup> The Vice President is in charge of the Fellowship Council, which is composed of all individuals named on this chart except for the Administrative Assistant.

<sup>3</sup> Council of Elders is made up of past presidents that are still members. The Board president can request the Council of Elders to meet and the leader is internally elected.

<sup>4</sup> The professional staff has extensive responsibilities that span the Fellowship. These interactions are too complex to show graphically.

\* Functional area leaders may help facilitate communication between the elements preceded by an asterisk and the Fellowship Council and Board, but they do not necessarily have oversight responsibility.
